■ The THEME of the 09 edition

The Exotic Edition

The appreciation of the global approach to aesthetics and design philosophies has successfully inspired a unique identity and fascinating diversity in design interpretations within Zimbali.

■ The ARTICLES in 09 edition

FOREWORD

By Grant Horak

This experienced consultant explains the implementation of elements of exoticism and ethnicity into today's design schemes.

DEVELOPERS' DIRECTION

By Andreas Wassenaar

This well known personality gives a considered opinion on what elements of life contribute towards more balanced and sustainable lifestyles.

ARCHITECTURE

The art in architecture

Lauren Montrose explains how the distinct character of Zimbali's homes, based on a adaptive 'Architectural Language' is exceptionally suited to both region and lifestyle.

DESIGN

'E'ppreciation

The diversity of styles and ethnic and exotic treasures from opposite corners of the globe are being successfully imported into our Western lifestyle.

INVESTMENT

The leisure industry

Ian Fife, Property Editor of the Financial Mail, visits possible reasons for continued positive growth in the leisure industry.

T O U R I S M

Reasons to visit

Several superb splendours found within the province of KwaZulu-Natal should inspire both local and international visitors to visit this picturesque province.

G O L F

Green credentials

Sustainable business practices are no handicap when it comes to course design as demonstrated by the approach of Gary Player Design at Zimbali Lakes

L A N D S C A P I N G

Green glories

Landscaping projects at Zimbali and Zanzibar have been placed on the winners' rostrum by The South African Landscapers Institute.

C O N S E R V A T I O N

Naturally exotic

Highly involved in conservation projects to protect the disappearance of chameleons, Tessa Dean discusses the characteristics of these unusual reptiles.

L I F E S T Y L E P R O D U C T S

Investments

Showcasing Zimbali experiences, products and services that add quality and value to enhance both your home and lifestyle.
